HOW TO PRAY

"...open their eyes, so that they may turn from darkness to light, and from the power of Satan to God, that they may receive forgiveness of sins and a place among those who are sanctified by faith through me." Acts 26:18 (NIV)

Evangelism is often a multi-step process. As you're praying for your loved ones who don't know Jesus, ask God how he may be working in each of these areas.

God's role: No matter how often or how powerfully we share the Gospel, the Holy Spirit must open blind eyes and soften hard hearts. Ask God to keep working on your friend's heart this year.

Their role: As your loved one hears the Gospel, pray they will understand that Jesus calls them to respond. Pray that they will have the courage to turn away from whatever is holding them back from responding to Christ.

Our role: How can you take the next step in sharing the Gospel with your friend? You may get coffee with them or invite them to a **Christianity Explored** course with you. Ask God if there is a key question you can ask your friend that will deepen your relationship and increase their readiness for the Gospel.
